

October 10, 2023
Talamore Country Club

The North Penn School District Educational Foundation is looking for both sponsors and golfers for this special outing to help raise funds so we may continue to provide innovative classroom grants that enhance the educational experience at North Penn School District. Plus:

- ❖ **Golfers** enjoy a fun day on the course with great food and drinks, while supporting the quality education for which NPSD is known, for just \$160 per golfer. And, you have the opportunity to make valuable business contacts.
- ❖ **Sponsors** have the opportunity to gain visibility among this select audience in a variety of different ways. Not to mention, you also help students gain valuable opportunities like no other.

Another opportunity provided by the Foundation thanks to the generosity of others...

Over 1,000 first-grade students participate in the Reading is Fundamental (RIF) program each year, sponsored by the NPSD Educational Foundation. The year kicks-off with a play performed by teachers, reading specialists, principals, high school students, and community members. The purpose of the show is to celebrate the importance of reading and literacy in a fun and interactive way. There are a *number of other activities sponsored throughout the year, including book distributions. These book distributions are for the students' personal libraries at home and are available at no cost.*

Since 1988, NPSD educators have been applying for grants that support and complement their subject area's curriculum and create innovative student engagement which leads to improved learning and comprehension. The Foundation, a 501c (3) corporation, has provided over \$2 million in funding for these programs through the collaboration among individuals and institutions committed to enriching the education and lives of students throughout the district.

Consider joining us on the course or as a sponsor and make a difference in your own backyard! **Register online at www.npennedfoundation.org or complete a registration form by September 19, 2023.** Hurry, space fills quickly!

Sincerely,

Christine Liberaski

Executive Director, NPSD Educational Foundation
