

Thank someone who's made a difference!

Make a donation to the NPSD Educational Foundation in the name of a staff member.

While the educational experience may have looked different this year, the steadfast commitment of nearly 2,000 employees ensured the best learning experience and safety for students possible. From our first line defenders of nurses; custodial staff who cleaned, cleaned and cleaned some more; school nutrition services who prepared, packaged and distributed meals; bus drivers who transported students over 1.2 million miles this year; support staff who tirelessly worked behind the scenes; administrators who demonstrated leadership; and of course our dedicated teaching staff who showed grace, perseverance and strength as they taught in new ways.

As the school year winds down, many parents wish to show their appreciation to a special staff member who has made a difference in the life of their child by offering a small gift. And while our staff appreciates these genuine gestures of thanks, please consider an alternative – a gift in the name of that special staff member to the NPSD Educational Foundation through the Staff Tribute Program.

Your tax-deductible gift will be recognized by the Foundation and the staff member will receive a card informing him or her of your kindness. But that's not all! Your gift will be returned to the students in the form of an "Innovative Classroom Project" grant awarded annually for new educational programs.

The Foundation was established in 1988 to raise funds for innovative and creative programs to improve our student's overall educational experience. To date, the Foundation has funded more than \$1 million in teacher grants to provide such experiences.

The North Penn School District administration, the North Penn Education Association and the North Penn Educational Support Personnel Association endorse this program and hope you will consider joining other parents in this effort. Please use the donation card form to donate today! If you have any questions about the Foundation or the "Staff Tribute Program," please call Christine Liberaski, executive director, NPSD Educational Foundation, at 215-853-1020.

I wish to recognize the wonderful people who have made a difference in my child's life and, at the same time, support the NPSD Educational Foundation in its efforts to ensure educational excellence in the North Penn School District.
