

Thank someone who's made a difference!

Consider making a donation to the NPSD Educational Foundation in the name of a staff member.

In these uncertain times, one thing is for sure...North Penn School District (NPSD) has the BEST teachers and staff around! Whether it's teachers modifying lessons to reach students at their kitchen tables, school nutrition staff providing meals for those in need, administrators creating plans to support our students and support staff helping to execute those plans, North Penn has shown that while we may be apart, we have never been closer.

Imagine a way to recognize the important contributions teachers and staff members have made in your child's life, as well as providing new educational opportunities not available through the school budget that saves you time. That is the heart of the NPSD Educational Foundation's "Staff Tribute Program"!

The Foundation was established in 1988 to raise funds for innovative and creative programs to improve our student's overall educational experience. To date, the Foundation has funded more than \$1 million in teacher grants to provide such experiences.

As the school year begins to wind down, many parents wish to show their appreciation to a special teacher, principal or support person by offering a small gift. And while our staff appreciates these genuine gestures of thanks, please consider an alternative – a gift in the name of that special staff member to the NPSD Educational Foundation. Your tax-deductible gift will be recognized by the Foundation and the staff member will receive a card informing him or her of your kindness. But that's not all! Your gift will be returned to the students in the form of an "Innovative Classroom Project" grant awarded annually for new educational programs.

The North Penn School District administration, the North Penn Education Association and the North Penn Educational Support Personnel Association endorse this program and hope you will consider joining other parents in this effort. Please use the donation card below to make your donation today! If you have any questions about the Foundation or the "Staff Tribute Program," please call Christine Liberaski, executive director, NPSD Educational Foundation, at 215-853-1020.
