Dear North Penn Family,
As the holiday season approaches, many of us reflect on those who have made a difference in the lives of those around us. The North Penn School District staff is a driving force of encouragement and leadership for students. Staff members are able to provide unique and innovative experiences for students with the help of the NPSD Educational Foundation and the grants it provides.

The Foundation is able to offer these experiences to students thanks to donors. This year, as you consider who has made a difference to your student, consider donating to the NPSD Educational Foundation's staff tribute campaign in the name of a special staff member. The recipient will receive a certificate indicating a donation was made on their behalf from you and/or your student (as indicated below). Plus, the Foundation will use that donation to continue providing worthwhile learning experiences through future grants to staff members across the district. Generous donors helped provide the funding for 68 grants totalling over $125,100 last year, including these exciting opportunities:

North Penn Community Art Displays

The North Penn Community Art Displays showcase K–12 student artwork from North Penn schools in local community spaces. Students gained hands-on experience in curation, presentation, and collaboration, while building pride in their creative work.

Using Anchoring Phenomena in the Science Classroom

Integrated Science students modeled and investigated the essential concepts of Forces and Motion, including contact forces (Newton's Laws), and reached new understandings of the underlying principles that govern non-contact forces, like magnetism, by engaging in Kollide games.

Peer Connections Mentorship Program - Group Field Trip and Supplies

The Peer Connections Mentorship Program paired high school leadership students with elementary and middle school peers to build confidence, social skills, and positive relationships. Mentorship sessions included teambuilding and problem-solving activities that fostered collaboration.
