

# THANK SOMEONE WHO'S MADE A DIFFERENCE

## NPSD Educational Foundation 2022-2023 Winter Staff Tribute

Dear North Penn Family,

The bus driver offering the first smile of the day. The teacher sparking an interest. The secretary greeting visitors warmly. The custodian high-fiving students in the hall. The School Nutrition Services staff providing laughs in line. All staff members play an important part in the day of each and every student, whether it's through inspiration or encouragement.

As the holidays approach, many of us reflect on those who have made a difference in our daily lives and that of our children. Many families wish to show their appreciation by offering a small gift during the holidays. While our staff appreciates these genuine gestures of thanks, please consider an alternative – a gift in the name of that special staff member to the NPSD Educational Foundation. The staff member will receive a certificate indicating a donation was made on their behalf from you and/or your student (as indicated below).

The Foundation raises funds for innovative and creative educational programs to improve our students' overall educational experience. By recognizing your favorite staff member with a donation to the foundation in their name, you're providing additional opportunities to students through classroom grants submitted by staff.

### Already this year with funding through the Foundation and your generosity, students:

- visited with author Javier Ávila who discussed his experiences and read his poetry from "The Trouble With My Name"
- experienced Latin American music with a performance and masterclass by The Dali Quartet
- went out of this world with visits to the newly updated, state-of-the-art, NPHS planetarium

I wish to recognize those who have made a difference in my child's life and, at the same time, support the Foundation!
